UNI FREIBURG

Declaration of originality

I,

name:

matriculation number: ,

hereby confirm that I have completed the present study independently, without illicit help and without the use of sources and tools other than the ones specified, including the internet. I have completed the present study according to science ethics criteria. Exact quotes as well as parts paraphrasing the content of my sources are marked as such.

Furthermore, I confirm that I did not use any Large Language Models (LLMs) such as ChatGPT for central tasks, e.g. the formulation of text sections, the creation of the structure or the central and complete methodology of my text. If I used LLMs for peripheral, supporting tasks, I provide a detailed description of their concrete use and application.
